

Το Σεμινάριο- Σχολείο **14th Infectious Diseases Course (1st Vaccines School)** θα πραγματοποιηθεί στις 5-7 Οκτωβρίου στο Αμφιθέατρο Μεταπτυχιακών,

Ιατρική Σχολή, Πανεπιστημίου Κρήτης . Προτιμήσαμε φέτος μια κάπως διαφορετική δομή- οι 2 πρώτες ημέρες (Πέμπτη 5 και Παρασκευή 6 Οκτ) θα είναι κάτι σαν "κλειστό" Σχολείο Εμβολίων με προεγγραφή, διανομή υλικού, συζήτηση και αξιολόγηση, ενώ το Σάββατο (7 Οκτ) διατηρεί τη γνωστή δομή της "ανοικτής" Ημερίδας, με προσκεκλημένες παρουσιάσεις και ελεύθερη συζήτηση.
